Description for Handy Man reads: You have created an all-new weapon combo in Dead Rising 2: CASE WEST. Sticky tape, to the max! But to get an achievement you can't build any weapons other than those that are needed. Build them in THIS ORDER ORDER:Shocker - Defibrillator - Medical Trace N' Glitter - Floor Buffer - Electric ProdLightning Gun - Blast Gun - Electric ProdReaper - Serp - Catana SwordImpact Blaster - Hammer Strike - Blast GunSteril - Chemicals - To build and combine two other weapons: Laser Sword Jewels Lantern - Lightning Blast Blast Gun Electric Prod If you build any other weapon you will have to remove your file save and start over. Beware! If you have a Hacker item - a flashlight and a computer deal - you can double the money you get from an ATM. Instead of \$2,500 per car you get \$5,000. If you hold the sight button while unarmed, and press the throw or fire button, yours will spit on the zombies. It doesn't hurt them much, but it's a secret range weapon that is unlimited. First, you need \$2,000,000 and DRIVER magazine. It is found in barbecue jacks by the soda fountain. Then buy the SUV key in a pawnshop in the Silver Strip. You will find an SUV (Humvee) across the street at Shamrock Casino. Now just drive around the strip, killing zombies. With Driver Mag, your SUV with the last 3 times longer (4X4). When your SUV dies, enter the casino that makes you download. Come back and your SUV will return to Shamrock fully repaired. You get 4,000 zombie kills with each SUV and it only takes about 15 minutes (in real time) to dial 72,000.Tired to carry survivors on your arms or on your back? Then just press the wheelchair towards them and wait for them to take place. You can then escape back to the safe house with ease. Just try not to hit too many zombies and walls, otherwise the rider will fall out and the chair will break. Keep in mind, only one survivor can fit in a chair and even unscathed survivors can sit in it. (This tip is especially handy for transporting a soldier during the Shell-Shocked mission) Start a new game and then win the race. Once you win go to the first toilet that you face and keep your game. Now go to the main menu and select START GAME, and then choose RESTART STORY. DON'T miss cutscene. You'll keep the money and PP that you earned after winning the race (\$10,000 for first place) and repeat it as many times as you like. In the park Follow the wall to the right of the Atlantica casino and enter the side door. Combine dynamite and meat you'll find here for Dynameat. Leave the building and head to the right. At the fireworks stand, climb to the top of the top Use fireworks to attract zombies. Jump down into the crowd and use Dynameat, retreating quickly. You'll get a ton of PP. Leave Fortune Park and come back to make respawn items. Repeat this to reach a very high level. Having trouble getting zombies for your dear daughter? Fear is gone! Some missions give out zombies to rescue survivors, and you may even find some sitting on high ledges.1 / Code Blue, Inside the Casino Ranch slot: Behind the scenes of the curtains there are some boxes of equipment. Jump on them, then giant dice, and finally through the gap to claim your prize. You can easily see the zombies in advance, but don't jump to it if you go up the metal stairs.2 / Code Blue, Inside the Yucatan Casino: Jump to the giant idol in the center and just jump up the comfortable ladder-shaped sides until you reach the offering plate. There you will find some zombies and a light machine gun.3 / If you find it hard to meet some zombrex and not buy it, why not find it? If you check out the scene at Slot Ranch Casino head behind the scenes and on the right side of a few boxes. Continue around to the service room backstage and climb the boxes to the right of the door as you come across it. You will see a nice free bit of zombies on top of the highest boxes. (Note: You can't go to boxes with the top mez floor).4 / You can find some extra zombies in the underground tunnel after completing the Ticket Ride mission. It's next to an underground access staircase under Atlantica.5 Casino: At Big Roy's Mart in the Royal Flush Plaza (related to the case).6/ Go up the stairs to Benny Jack's Barbecue at Americana Casino and turn right as you walk up the stairs to the second floor. Go to the balcony and then to the nearest light. Keep jumping around the world until you get to the end.7 / Behind the scenes backstage at Slot Ranch Casino. Climb to a stack of boxes and speakers. Go to a smaller stack of boxes and speakers to find it.8 / Save the paramedic in the Blue Mission Code. Bring the paramedic to Dean (once bitten by mission) and the paramedic will give Dean a free zombrex.9 / On top of the highest display of the slot machine in the middle of Yucatan Casino.10 / Defeat postal worker (mission related) in Royal Flush Plaza.11 / Bring Richard (Hungry Pains) food and rescue him in the Silver Strip Diner. FLAWLE5vict0ry, Freezie43110, PabloOn top of numerous calls and mission deadlines, several secret missions can appear then ended without you even knowing. Here's a list of secret missions, so you won't miss:1/ Inside Yucatan before you meet Rebecca on day 1. The optional boss fight here, along with the survivor, hiding in the offices. Head over to the food court and raid his steak and only steak. At the entrance to Yucatan you will be met with cutscene. After that, knock down Ted, watch him die and then jump on topHouse. You have to find 3 steaks all around her enclosure. Go out there and wait for them. You'll know when she's eaten some because her health bar will be filled a bit. Just be sure to stay out of reach, otherwise it will use you for lunch. After about 6 Steaks you will be met with another scene. Finally, save the poor man who finds himself in yucatan's office. Royal Flush Plaza, Casual Gals Store, Day 1. After rescuing his wife, located right in front of the Safe Room corridor, Gordon will appear here and needs your help to return. Royal Flush Plaza, upstairs during the Rock Heroes mission. While escorting the group, the swing is here to see 3 girls doing their shopping. To get them to follow you have to carry your delicate trading boxes back to the safe room. Americana Casino, VIP Poker Room. Starting mid-day 2, some high rolling poker players create a game here. To save them, you have to pay a \$100,000 buy-and-go to win. If you lose, you have to pay \$100,000 AGAIN and keep trying. Food Court, after it tastes like a chicken boss to fight. So you killed a lunatic and untied a girl, but she thinks you're a terrorist and don't come with you until Jasper showed up. He happens to be at Food Court too, but in an unlikely place. Find the nearest vending machines and get to the climb. You'll find it on one of the restaurant's many sheds. Re-combine the pair and hoof it home. Win Slot If there's a lot of money in front of the slot machine, you can play it and win five times - after that you can't win again if you don't get back on the card. Keep betting a maximum of \$1000 to win a lot of money quickly. You can win about \$1,000,000 every ten minutes. Note: Sometimes you can't win anything for three minutes, but then you can win three times in a row. Just keep playing until you win the right amount of money. Six ShooterOnce you have advanced far enough into the game to unlock the six-shooter revolver (defeating the Cowboy Guard Psychopath in South Plaza) is a good idea to carry around the weapons that can be found on the sawing board he dies on. You can only have one at any time, like all Psychopath weapons, so if you try to get out and re-enter the area to get an extra six shooter, you won't find anything there until you lose the one you're wearing (or whatever your Co-op partner carries). This weapon is incredibly powerful, more than any rifle except a sniper rifle. And it also has a great level of fire. With these weapons you can easily pull most psychopaths, just corner shooting and in some cases just constantly shoot them as most Psychos will be stunned at a short moment by each shot. Ghosts 'n Goblin Knight ArmorThe four pieces of Knight's Armor, combined, will halve your damage. If you lose 50% of your life, the armor will break and you will take normal damage in your shorts.
